

The Institute of Demolition Engineers

Application Form: Student Membership

Introduction

The Institute of Demolition Engineers is a Charitable Educational Trust and is established to promote and foster the science of demolition engineering, the use of more efficient techniques in the industry, to encourage safer methods of working and to provide a qualifying body in the industry.

Membership is for individuals who are involved in some aspect of Demolition Engineering and who could be expected to be able to demonstrate a depth of knowledge and experience within the Demolition industry.

The Institute of Demolition Engineers is pleased to offer complimentary membership to students studying a subject relevant to Demolition Engineering at a recognized university or college. Evidence of participation in such a course is required with this form and at the beginning of each academic year.

Student membership is only valid for 1 Year and during a period of full-time study and should be renewed annually. After 1 Year your student membership will automatically cease unless you have advised us that you wish to renew and provided the relevant documentation from your college or university.

If the Student pursues a career in Demolition Engineering, he/she will be welcome to apply for Entrant Grade Membership once they have achieved a minimum of 3 years experience within the industry. At this stage you will be expected to pay an application fee.

All members are expected to show commitment and support for the Institute to which they belong. Aspiring members are very welcome to attend IDE Seminars and Regional Meetings. Attendance at such events will enhance your application.

Benefits of membership include:

- Opportunity to meet other members at regional meetings and seminars;
- Opportunities to network with Senior Engineers in the Demolition industry;
- Free access to all Institute Seminars;
- Receipt of the Demolition Engineer Magazine;
- The opportunity to gain a Foundation Degree qualification in Demolition Management (discounted rates apply to members).
